## IT TAKES LITTLE TO BE BIG

Big Brothers  
Big Sisters.

We believe every child deserves to feel seen, heard, and supported. For years, we've built a foundation of trust and community—and now we're expanding it to ensure every young person has Access, Belonging, and Opportunity.

We're breaking barriers so more youth can benefit from mentoring and new career readiness pathways that lead to skills, growth, and success. Every child should see themselves reflected in our programs and leadership—because true belonging starts with representation.

We're striving for **500+ youth served**—each one a step toward a stronger, more equitable Lowcountry. Together, we're not just growing programs; we're growing potential. Join us in empowering every child to know they belong, can aspire, and will achieve.
